I am aware that the visa fee is not refunded if the visa is refused.			
Applicable in case a multiple-entry visa is applied for (cf. field No 24):			
I am aware of the need to have an adequate travel medical insurance for my first stay and any subsequent visits to the territory of Member States.			
I am aware of and consent to the following: the collection of the data required by this application form and the taking of my photograph and, if applicable, the taking of fingerprints, are mandatory for the examination of the visa application; and any personal data concerning me which appear on the visa application form, as well as my fingerprints and my photograph will be supplied to the relevant authorities of Member States and processed by those authorities, for the purpose of a decision on my visa application.			
Such data as well as data concerning the decision taken on my application or a decision whether to annul, revoke or extend a visa issued will be entered into, and stored in the VIS (in so far the VIS is operational) for a maximum period of five year, during which it will be accessible to the visa authorities and the authorities competent for carrying out checks on visa at external borders and within the Member States, immigration and asylum authorities in the Member States for the purposes of verifying whether the conditions for the legal entry into, stay and residence on the territory of the Member States are fulfilled, of identifying persons who do not or who no longer fulfil these conditions, of examining an asylum application and of determining responsibility for such examination. Under certain conditions the data will be also available to designated authorities of the Member States and to Europol for the purpose of the prevention, detection and investigation of terrorist offences and of other serious criminal offences. the authority of the Member States responsible for processing the data is:			
I am aware that I have the right to obtain in any of the Member States notification of the data relating to me recorded in the VIS and of the Member State which transmitted the data, and to request that data relating to me which are inaccurate be corrected and that data relating to me processed unlawfully be deleted. At my express request, the authority examining my application will inform me of the manner in which I may exercise my right to check the personal data concerning me and have them corrected or deleted, including the related remedies according to the national law of the State concerned. The national supervisory authority of that Member State (contact details) will hear claims concerning the protection of personal data.			
I declare that to the best of my knowledge all particulars supplied by me are correct and complete. I am aware that any false statements will lead to my application being rejected to the annulment of a visa already granted and may also render me liable to prosecution under the law of the Member State which deals with the application.			
I undertake to leave the territory of the Member States before the expiry of the visa, if granted. I have been informed the possession of a visa is only one of the prerequisites for entry onto the European territory of the member States. The mere fact that a visa has been granted to me does not mean that I will be entitled to compensation if I fail to comply with the relevant provisions of Article 5(1) of Regulation (EC) No 562/2006 (Schengen borders Code) and I am therefore refused entry. The prerequisites for entry will be checked again on entry into European territory of the Member States.
